

KIRI PARK PROJECTS: 2008 GROWERS PROJECT OPEN

December 2007

The Kiri Park Projects: 2008 Growers is the next installment in the successful Kiri Park Project which is considered to be one of Australia's leading Paulownia timber managed investments established on the Kiri Park Plantation.

On the 12 December 2007, Environmental Forest Farms Management Limited was issued a Product Ruling No. 2007/100 from the Australian Tax Office. The project is now opened to investors until the 30 June 2008.

There are a number of attractive finance packages for the 2008 Growers Project which include:

- 12 month interest free finance
- 5 year principle and interest finance
- 8 year principle and interest finance

Once again, the 2008 Growers Project offers investors the outstanding tax benefits guaranteed by its ATO Product Ruling.

For more information about how the 2008 Growers Project can benefit you, please contact our National Sales Manager Paul Stanley on 08 9227 8422 or 0424 656 346.

The EFF Group

The EFF Group of Companies is one of Australia's leading Paulownia organizations with experience in the establishment, plantation management, research and propagation of Paulownia trees. The Group own and/or operate several Paulownia plantations in Western Australia, including four Managed Investment Projects, and three private plantations.
